Description

Pension solutions for a worry-free future

Want to get a head start in planning a financially sustainable pension?

You can choose whether to invest your pension assets fully or partially

BPS (SUISSE) offers you two solutions to help you facing retirement with serenity:

Life Benefit – 3rd Pillar pension account

Deposit your 3a contributions in a dedicated account to freely build up long-term assets effortlessly.

A solution with a preferential interest rate and tax benefits.

You can also pledge your third-pillar pension capital when financing your residential property.

PRIVOR – 3rd Pillar custody account with investment in funds

Invest your pension contributions in a selection of funds with different portfolio weightings.

A solution that allows you to benefit from the long-term return opportunities provided by the financial markets, even in your retirement.

Target group and benefits

Diversified and prudent forms of saving spread over time

Our pension products help you to fill in any gaps in your pension and contribute to maintaining your current standard of living during retirement.

Who they are aimed at
